### THE REVIEW TEAM COMMENDS...

- 1 UCD's effective, systematic QA processes, which ensure the rigorous evaluation of learning and teaching, and the effective use of externality in
- 2 UCD for its Performance for Growth process and the commitment to creating parity of esteem between learning and teaching, and research.
- 3 the opportunities available for students to engage with university processes and commends the induction that UCD provides to its Students' Union
- 4 UCD's commitment to delivering a high-quality student experience, as well as the existence of effective support structures, such as student advisors within
- 5 the university's commitment to global engagement, to considering the intercultural learning experience, to valuing diversity in the curriculum, and

### THE REVIEW TEAM RECOMMENDS...

- 1 that UCD review its QA processes and consider consolidating processes to ensure that schools have the capacity, and are enabled, to effectively self-
- 2 that UCD reflect on the reasonableness of expectations placed on faculty in key leadership roles such as heads of school. UCD must ensure that schools
- 3 that UCD review the implementation of the Researcher Career Framework to ensure that it is equally and equitably implemented across the university
- 4 that the university capitalise on the extent of quantitative data and external benchmarking available to derive greater analytical value from this data to
- 5 that, as a globally-competitive, research-intensive institution, UCD review its quality processes with a view to securing a more effective balance between
