### KEY QUALITY REVIEW COMMENDATIONS

- 1 The Review Team commends the strength and depth of the Institution's engagement with its external stakeholders. Reviewers saw and heard clear evidence of this.
- 2 IT Sligo holds a national leadership role in online delivery, which plays into its success in widening participation, serving the needs of its professional learners.
- 3 Staff at all levels of the Institution are passionately committed to giving students a good experience; and to the Institution's mission and values. This is evident in the way they work.
- 4 IT Sligo has effective mechanisms to support quality enhancement. For example, the needs of specific learners are routinely identified and addressed.
- 5 IT Sligo is highly regarded by employers and its graduates are perceived as 'job-ready' by employers.

### KEY QUALITY REVIEW RECOMMENDATIONS

- 1 The Review Team recommends that the Institute continues and completes steps already being taken to: • Evaluate, streamline and thoroughly review its current HR policy and culture.
- 2 The Institute should improve its processes for planning, managing and evaluating change. Notwithstanding the difficulties that have been created by the COVID-19 pandemic, the Institute should continue to improve its processes for planning, managing and evaluating change.
- 3 The Institute should evaluate its current HR policy and culture. Quality depends on all categories of staff in the Institution doing what they are best at.
- 4 The Institute should keep under review the difficult balance between dynamic responsiveness and strategic direction. There is a recognition that the Institute has a strong strategic direction.
- 5 The Institute should keep under review the new organisational structure. The Review Team welcomed the examples provided where individuals have been empowered to take decisions.
