KEY QUALITY REVIEW COMMENDATIONS

- 1 The review team commends UL on the resilience and dynamism shown in its response to Covid-19. This was clear from its ability, evident across the
- 2 The review team commends the university on the way it has connected the different quality teams and how it fosters good practice exchange on various
- 3 Managers were evidently united in their focus on the student learning experience at UL and on the importance to accommodate students' needs
- 4 The annual monitoring process has clear scope and leadership, and the Associate Vice President Academic Affairs is unambiguously responsible for
- 5 The review team commends UL for providing learner supports that are collaborative, comprehensive and ambitious.

KEY QUALITY REVIEW RECOMMENDATIONS

- 1 The review team found that, overall, the QA and quality enhancement system functions in a top-down manner. The review team also noted with
- 2 Given that UL was unable to clarify during the visit how the Executive Committee would monitor progress and how the impact of the Plan was
- 3 Both programme design and annual review form the backbone of what one could describe as the 'top-down loop of quality assurance'. The review
- 4 Given the central position that student surveys have in the overall QA system, the review team recommends that UL continue work with students to close
- 5 The review team acknowledges the recent developments towards building management and quality dashboards, yet recommends that the university
